

About Us

COMPANY DESCRIPTION

Vaincre is a financial management firm that specializes in researching, pricing, and trading a range of financial instruments including stocks, futures options, cryptocurrencies, and foreign exchange contracts. Our team is passionate about financial markets and has extensive experience developing trading strategies and managing portfolios. As a rapidly growing company, we offer an exciting opportunity for a Junior Equity Trader to join our team and be part of a progressive company aiming to manage £100+ million by 2025.

On Average for our investors we look to bring in a annual return of around 24%.

This yearly increase compounded over a long period of time is beneficial and causes more upside for potential investors and growth for our company.
